

# Look in My Eyes

## The Chantels

Look in my eyes, and tell me you love me  
Tell me you love me, or darling I'll be gone  
(Gone, gone, gone, gone)

Look in my eyes, and tell me that you're the  
One for me, and that our love will always be  
Or darling I'll be gone (gone, gone, gone, gone, gone)

You said it that time  
So glad you're all mine  
What's it to be? Do you wanna be?  
And let me know, a little more time  
Have that love to be, or darling set me free

Look in my eyes, and tell me you love me  
Tell me you love me or darling all be gone  
(Gone, gone, gone, gone)

Do-oooo di, di, di, di, di  
Do-oooo di, di, di, di, di
