

Sunset Boulevard

Jackie Boyz

I was on sunset boulevard
When she broke my heart,
Standing on sunset boulevard
When the lights got darkI was on sunset boulevard
When she broke my heart,
Standing on sunset boulevard
When the lights got darkNow here's a story about a little trip
I took out west
Tryna find someone to love,
With 'bout a hundred dollars in my pocket, ID in my wallet
I was gon' make it workI met a girl from the city of Malibu
Where all they do is surf and never wear shoes
I thought I found a keeper,
Her looks can be deceivin'We spent two weeks kissing underneath the stars,
That's when she told me I didn't have a heart
What was I to do-oh
They say good things never last so I'm on to youI was on sunset boulevard
When she broke my heart,
Standing on sunset boulevard
When the lights got darkI was on sunset boulevard
When she broke my heart,
Standing on sunset boulevard
When the lights got darkAnd now I gotta walk home, walk home,
And now I gotta walk home on sunset boulevardIt was 'bout a year ago
When I met her she was the prettiest thing in town
Who would had known she had a boyfriend,
And a girlfriend when we were fooling around
She had me all messed up for a minute
She was so perfect to be truth never forget it yea
I guess I have to go back to Georgia
My love is running low in CaliforniaAll them girls from L.A. to Inglewood
Down at the beach when the weather could
They misunderstood
This one's for you.I was on sunset boulevard
When she broke my heart,
Standing on sunset boulevard
When the lights got darkI was on sunset boulevard
When she broke my heart,
Standing on sunset boulevard

When the lights got darkI was on sunset, sunset, sunset
I-I was on sunset, sunset, sunset
I-I-I was on sunset boulevard
B-b-boulevard when she broke my heart
Standing on sunset boulevard
When the lights got darkI was on sunset boulevard
When she broke my heart,
Standing on sunset boulevard
When the lights got darkI was on sunset boulevard
When she broke my heart,
Standing on sunset boulevard
When the lights got darkAnd now I gotta walk home
Walk home
And now I gotta walk home
On Sunset Boulevard
