

7 Years and 50 Days (radio edit)

Groove Coverage

7 years and 50 days
The time has passing by
Nothing in this world could be
As nice as you and I
And how could we breake up like this
And how could we be wrong
So many years so many days
And I still sing my song[refrain]
I belong to you .. like I always do
When I close my eyes and I think of you
Such a lonely girl, such a lonely world
When I close my eyes I dreamI returned to you .. like I always do
When I close my eyes and I think of you
Such a lonely girl, such a lonely world
When I close my eyes I dream of you7 years and 50 days
Now just look at me
Am I the girl I use to be
So damn what do you see
And how could we breake up like this
And how could we be wrong
So many years so many days
And I still sing my song[1x Refrain]
7 years and 50 days
The time has passing by
Nothing in this world could be
As nice as you and I
And how could we breake up like this
And how could we be wrong
So many years so many days
And I still sing my song1 x refrain
