California Country

California country, baby.
California dreams.
Southern rocking revolution.
Sea to shining sea, yeah.
Sunshine, gold rush
Usher in a brand new cowboy breed.
A gypsy roamin Romeo.
Yeah, west is best for me.
Singin "Woah-oh-oo-oo, Oh-oh-oo, Hmm"
Everybody stops and stares
I've got my boots on your ...
and I don't care
I know they see me,
but I don't mind
Hollywood vibe
and got me feeling mighty fine
Vega-ching-ching
cause this won't pass
This Georgia boy
is gonna make it last, singing
California country, baby.
California dreams.
Southern rocking revolution.
Sea to shining sea, yeah.
Sunshine, gold rush
Usher in a brand new cowboy breed.
Gypsy roamin Romeo.
Yeah, west is best for me.
Everywhere I've been 'til now,
It don't feel like home
since I left town.
I miss that small town live routine
but Hollywood
might could put me in a magazine.
My head and my heart are home in the sand
There's people out here
from all across the land.
California country, baby.
California dreams.

Southern rocking revolution.
Sea to shining sea, yeah.
Sunshine, gold rush
Usher in a brand new cowboy breed.
Gypsy roamin Romeo.
Yeah, west is best for me.
(Singin "Woah-oh-oo-oo)
Mama said,
"Yeah, you'll break down and cry
but you'll move on."
(Singing "Oh-oh-oo, Hmm")
Mama said that,
"You'd be fine. Take your time."
(Singin "Woah-oh-oo-oo")
Make it up as you go along.
So I don't rodeo,
but I own the road
cause she carries me back home
She's there for me and she cares
for me so I know I'm not alone.
And I'm proud to say
every single day I'm gone
California country, baby.
California dreams.
Southern rocking revolution.
Sea to shining sea.
Sunshine, gold rush
Usher in a brand new cowboy breed.
California country, whoa
California country, baby.
California dreams.
Southern rocking revolution
Sea to shining sea, yeah.
Sunshine, gold rush.
Usher in a brand new cowboy breed.
an' this gypsy roamin Romeo.
says, west is best for me.
I said California country, baby.
California dreams.
