

Wanna Be Trash

Brainless Wankers

all week overdosed with high input but tonight | all week I pursued my adulthood but tonight | yeah right I
wanna switch my brains off | I'm just looking for cheap entertainment | tonight I wanna rock till the end | wanna
be trash | wanna be loose | wanna be blank | I light the fuse | wanna be trash | wanna be loose | wanna be blank | I
light the fuse tonight | I can do without education for tonight | I'm off to a mental vacation for tonight |
tomorrow I'll solve all the problems | yeah, tomorrow I will save the planet | but tonight got no time for it |
wanna be trash | wanna be loose | wanna be blank | I light the fuse | wanna be trash | wanna be loose | wanna be
blank | I light the fuse tonight | all I wanna do with my head is bang it tonight | all I wanna do with my head is
bang it tonight
