Peanut Butter

Alison Valentine

no I never ever seen a guy
who can look so fly
like the way that you do
baby baby we can kiss the sky
take it for a ride
just to cruise you are so smooth
and your body I said it looks so cool
standing by the pool
can't take my eyes off you no (oh)
every little thing you do
every single move
baby you are just so smooth(Chorus)
spread your love
like peanut butter
all over my body baby
no I want no any other
I want you like nobody baby(2x)no I never ever seen a girl
who can look so fly
like the way that you do
baby baby we can kiss the sky
take it for a ride
JUST TO CRUISE YOU'RE SO SMOOTH
and your body I said it looks so cool
standing by the pool
can't take my eyes off you no (oh)
every little thing you do
every single move
baby you are just so smoothso let's dance the night away
to the music cool that's right
don't you ever go away (2x)no i never (8x)
