Yo Ush

Tattoo on her ankle
Plus she's makin' pesos
Got a crib on Peace Street

Right on 17th street
Huh?
And I call her "TT"
Wait a minute, hold on dawg!
Do she got a kid?
Yep
She love some Waffle House?
Yep
Do she got a beauty mark
On her left side of her mouth?
Man!

Yep
Man, I can't believe this chick, damn mmm
Tell me what's wrong dawg, what the hell you damnin' about?
I'm your homie so just say what's on your mind
Man, I didn't know that you were talkin' 'bout her
So man, you tellin' me you know her?
Do I know her? Like a pastor know his word

We messin' with the same girl, the same girl
How could the love of my life and my potential wife
Be the, the same girl, the same girl?
Man, I can't believe that we been messin'
With the same girl, the same girl
Thought she was someone I could trust
But she's been doublin' up with us
U, K, man we been messin' with the same girl
See I met her at this party in Atlanta!
Well I met her at this party in Chicago!
She came right up to me, givin' me conversation
I said, "Do you got a man?" she said no with no hesitation
Well it must be a music thing 'cause she said the same to me
At a party all in my face, while I'm laughin' and buyin' her drinks
She whispered in my ear, said, "Can you take me home?"
Me too!
Man, she was in the Chi singin' that same song!
Is that true?!

And I thought it was true confessions then she said
"I love you?"
Man I thought her body was callin' when she said
"I want you!"

Look I even got some pictures on my phone
Look at there, there she is with some boy shorts on
We messin' with the same girl, the same girl
She's the apple of my eye and my potential wife
The same girl, the same girl
Man, I just can't believe that we been messin' 'round
With the same damn girl
The same girl, the same girl
Thought she was someone I could trust
But she's been doublin' up with both of us
U, K, man we been messin' with the same girl
Said she got me on her ringtone
Are you talkin' 'bout the pink phone?
Mm mmm, the blue one
Man, she told me that was turned off
It's obvious that she been playin' us, playin' us
Ush constantly she's been lyin' to us, lyin' to us
Don't like the way that she's been goin' 'bout it, goin' 'bout it
Kells, what you think that we should do about it, do about it?
Call her up at her home, she won't know I'm on the phone
Yeah man that's the lick, homie we about to bust this trick
Man just ask her to meet up with you and I'm gonna show up too
And she won't know what to do we'll be standin' there singin'

The same girl, the same girl
She's was the apple of my eye and your potential wife
The same girl, the same girl
I can't believe that we been messin' with the same girl
The same girl, the same girl
She's gon' be lookin' so stupid when see us together
U, K, man we've been messin' with the same girl
See, she was taken flights, movin' back and forth
(The same girl, the same girl)
I would pick her up at the airport
Man, I really can't believe it
(The same girl, the same girl)
I can't believe it, no
(The same girl, the same girl)
