

# Back To the Shack

## Weezer

Sorry, guys I didn't realize  
That I needed you so much  
Thought I'd get a new audience  
I forgot that disco sucks  
I ended up with nobody  
And I started feeling dumb  
Maybe I should play the lead guitar  
And Pat should play the drums

Take me back, back to the shack  
Back to start where the lightning struck  
Kick in the door, more hardcore  
Rockin' out like it's '94  
Let's turn up the radio  
Turn off those stupid singing shows  
I know where we need to go  
Back to the shack

I finally settled down with my girl  
And I made up with my dad  
Had to go and make a few mistakes  
So I could find out who I am  
I'm airing all of these feelings out  
Even if it means I fail  
'Cause this is what I was meant to do  
And you can't put that on sale

Take me back, back to the shack  
Back to start where the lightning struck  
Kick in the door, more hardcore  
Rockin' out like it's '94  
Let's turn up the radio  
Turn off those stupid singing shows  
I know where we need to go  
Back to the shack

We belong in the rock world  
There is so much left to do  
If we die in obscurity  
Oh well

At least we raised some hell

Take me back, back to the shack  
Back to start where the lightning struck  
Kick in the door, more hardcore  
Rockinâ€™ out like itâ€™s â€™94  
Letâ€™s turn up the radio  
Turn off those stupid singing shows  
I know where we need to go  
Back to the shack

Letâ€™s turn up the radio  
Turn off those stupid singing shows  
I know where we need to go  
Back to the shack
