

French Pedicure

Avant

French pedicure in the air
French pedicure
French pedicure in the air
It's plain to see that you like em there
It's never too much
Yearning your touch
Oh, oh, oh
French pedicure in the air
It's plain to see that you like em there
Love is beautiful
Also physical[Verse 1]
I been thinking of ways to make you fantasize about me
I been thinking of moves
The pressure I put upon your body
When I demonstrate girl you're extremely over excited
But don't hyperventilate just relax
Please baby, invite it
All the faces you make when I'm off in it
Got me pulling your hair, girl, let's get ignorant
Ain't nobody goin' freak you like you know I can
Your swagger, your style, girl when you smile
And I grab your legs
And your[Chorus]
French pedicure in the air
It's plain to see that you like em there
It's never too much
Yearning your touch
Oh, oh, oh
French pedicure in the air
It's plain to see that you like em there
Love is beautiful
Also physical
French pedicure in the air
It's plain to see that you like em there
It's never too much
Yearning your touch
Oh, oh, oh[Verse 2]
I'm digging you out
I'm hitting the spots you like best

You're tempted to scream
You're digging your nails in my back
I'm feeling your passion
Watching you curl your toes
Shaking, convulsing
Want you to let go
Let this moment take you on a fantasy voyage
Your temperature's rising as I go downtown
Just when you think it's over
Here comes another round
The prettiest girl anybody's ever seen
Your swagger, your style, girl when you smile
And I grab your legs
And your[Chorus][Bridge]
It is going down
I'm loving your stroking bed
It's rocking like we're on the ocean
Another round
I'ma show you some of my tricks
While you're holding my blue stick
Do you like that?
Flowers, candy, chocolates, violins, and wine
Did you have a good time?
All that
If you're ready just lay back
I'll be kissing your thighs
Loving your smile
When I grab your legs[Chorus]If it's feeling good
Let me hear you say
Oh, oh, oh, oh
