

Cowboy Blues

Ranger Creek Wranglers

Well there's a lonesome feelin' that comes over me
When I hear that highway moan
I know it's where the good Lord meant for me to be
A dreamin' drifter far from homeI roam from town to town out on the interstate
I'm always only passin' through
I need my woman's lovin' she's so far away
I'm singin' the cowboy bluesStranger don't you know I'd like to be your friend
If I had the time to stay
But I'm a tumbleweed blowin' in the wind
I've got to catch another stageI strap on my guitar just like a 45
I pray each night my aim is true
I'm shootin' for the heart lookin' in your eyes
Singin' the cowboy bluesSometimes I get to thinkin' 'bout settlin' down
Fade off into a memory
Well every night that I step out to face the crowd
I know this is the life for meI strap on my guitar just like a 45
I pray each night my aim is true
I'm shootin' for the heart lookin' in your eyes
I'm singin' the cowboy blues
I'm singin' the cowboy blues
I'm singin' the cowboy blues
