

# NIGHTFLIGHT

**DJ Brody**

Verse 1

Dark is the night, frightful silence around  
Only the moonlight shining, there's not a sound I'm not afraid 'cause you're here by my side  
You'll be my shelter and hold me so tight  
Bridge  
I have every trust in you  
There is nothing I won't do  
Refrain  
Oh, take me on a nightflight, nightflight, nightflight  
The others fall asleep  
and we fly away  
Oh, take me on a nightflight, nightflight, nightflight  
We fly through the night  
'Til we meet the day  
Verse 2

Up and away, oh baby, right in the night  
Never been flying so high as a kite  
This night I'm havin' the time of my life  
It's so exciting, we're higher than high  
Bridge  
I won't need no sleep tonight  
Never stop it feels so right
