

Broken Promises For Broken Hearts

She Wants Revenge

Pay attention my love 'cause it's over
At the tip of my tongue is the price you weren't willing to pay
Still this is something akin to a breakdown
And your impression of a woman supposed to be easy to see
That there'd be torn up photos and lonely nights
Cursing, crying and drawn out fights
Make up, sex and a brand new start
Broken promises for broken hearts
When you look back now was it special
Or was it nothing but anecdote that you can tell now and then?
And I delude myself it was worth it
Even though from the beginning I could see exactly how it would end
That there'd be torn up photos and lonely nights
Cursing, crying and drawn out fights
Make up, sex and a brand new start
Broken promises for broken hearts
Torn up photos and lonely nights
Cursing, crying and drawn out fights
Make up, sex and a brand new start
Broken promises for broken hearts
I wanna wish you away
Wanna wish you away
Wanna wish you away
Wanna wish you away
Wanna wish you away
Wanna wish you away
Wanna wish you away
I wanna wish you away
Wanna wish you away
Wanna wish you away
Wanna wish you away
I wanna kiss you away
Torn up photos and lonely nights
Cursing, crying and drawn out fights
Make up, sex and a brand new start
Broken promises for broken hearts
