

Hey Mr. Millionaire

ZZ Top

I went down across that borderline
Down in the planet Mexico
Bought some Tequila
Big sack o' whack
I let go of the peso I couldn't get back Hey Mr. Millionaire
Hey Mr. Millionaire
Can you loan this poor boy a dime? I walked down across the borderline
Way over planet London
I bought a Rolls Royce an' a Jaguar
It's doesn't not matter how rich you are Hey Mr. Millionaire
Hey Mr. Millionaire
Can you loan this poor boy a dime? I moved on across that borderline
Deep off th' planet Louisiana
Threw some dice
It was oh, so nice
But it left me eatin' red beans and rice Hey Mr. Millionaire
Hey Mr. Millionaire
Could you loan this poor boy a dime?
Hey Mr. Millionaire
Hey Mr. Millionaire
Loan this poor boy a dime
Loan this poor boy a dime
Turn yourself into a banker
