

Aleister Crowley & Ordo Templi Orientis

Mystifier

He is the wicked man of shaven head
The personification of evil
Never again will appear a man like him
He is proud of himself and his disciples contemplate him
I'm the master therion. 666. the great beast. the iniquous. the satanist
Listen to me singing my satanic hymns with my ordo templi orientis
The imperfect man searching for the perfect evil
Do what you wilt. it shall be the whole of the law
A toad croaks crucified at my altar. a woman writhes chained on my lord's table
I sodomise women and animals in my ceremonies. my tortures and sacrifices are
To glorify the evil. an animal sacrifice is good but a human sacrifice is best
Sacrifices, degradation, obscenity, wickedness, deification, rituals, drugs
I'm the devil
Perversity, mockey, sex, debauchery, evocations, sorcery, spells
I'm the perpetual
I'm aleister crowley
