The Nightmusic

CECILIO & Kapono

The Nightmusic
When your're livin' like a man
Who lives in the land of the Midnight Sun
Sleepin' all day -to pass it away
Till the Evening Comes
When the shadows bring the lady once again to your room
And theres no record going around
But you start dancing to the sound of theNight music
Your Falling with the rain
To a whirlpool t a drain
And it's pulling you down
Till your starting to drown
In the night music
Living all alone
Tho' its years since you've thrown
Your hat in the ring
And there's nobody dancing
Nobody even asking
If its part of a dream
Ev'ry night is your chair
On the smoke in the air
You're floating away
And as the walls are closing around
You start moving to the sound
Of the ...
Night music
Your Falling with the rain
To a whirlpool t a drain
And it's pulling you down
Till your starting to drown
In the night music
The night music
