

Kansas City

Brenda Lee

Going to Kansas City, Kansas City here I come Ah
Going to Kansas City baby, Kansas City here I come
Ah huh, They got some crazy little men there,
I'm gonna get me one

I'm gonna be standing on the corner,
12th Street and Vine,
Yes I am
I'm gonna be standing on the corner baby,
12th Street and Vine
Yes I am
Oh with my Kansas City baby
And my mug of Kansas City wine

(Well) I might take a plane, I might take a train
But if I have to walk the way, I'm going just the same
I'm going to Kansas City, Kansas City here I come
Uh huh
They got some crazy little men there
I'm gonna get me one
They got some crazy little men there
I'm gonna get me one

(Well) I might take a plane, I might take a train
But if I have to walk, I'm going just the same
I'm going to Kansas City, Kansas City here I come
Uh huh
They got some crazy little men there
I'm gonna get me one
They got some crazy little men there
I'm gonna get me one
