

Glory to You

[Corby Lacroix](#)

Id still be lost if You had not found me
When You did
I couldnt see through the darkness around me
But You did You gave Your Son - Your only one, only one
For a castaway, a runaway like me
You changed my name Im not the same, not the same
Listen as I sing, all glory to You
Glory to You Id still be blind if You had not shown me
What You did
Bearing my burdens, shouldering my shame
Like You did I will tell of my devotion to You
For its what I was created to do
