

Chump

DJ Andy Smith

I don't know you, but I think I hate you
You're the reason for my misery
Strange how you've become my biggest enemy
And I've never even seen your faceWell maybe it's just jealousy
Mixing up with a violent mind
A circumstance that doesn't make much sense
Or maybe I'm just dumbYou're the cloud hangin' out over my head
Hail comes crashing down welting my face
Magic man, egocentric plastic man
Yet you still got one over on meWell maybe it's just jealousy
Mixing up with a violent mind
A circumstance that doesn't make much sense
Or maybe I'm just dumb, I'm a chump
