## The Acid

Woo-oo-oo Woo-oo-oo-ooooo (x4)I need your love  
Pushing on my pride  
I want your touch  
Pressing on my hideTell me, animal  
Call it what you want  
Push me in a ball  
Tearing at the wallsWoo-oo-oo Woo-oo-oo-ooooo (x4)Oh now come on  
Put it on my pride  
Taste like a storm  
Let it come, it comeTell me, animal  
Call it what you want  
Push me in a ball  
Tearing at the wallsWoo-oo-oo Woo-oo-oo-ooooo (x4)  
I need your love  
Pushing on my prideTell me, animal  
Call it what you want  
Push me in a ball  
Tearing at the wallsI need your love
