

# My First Love

Carl Thomas

Just blazing  
Back in high school, I knew a girl like you  
She was heaven sent all the time we spend  
You kinda look like her, I remember the way we were  
'Cause we were all in love I'm feeling you because  
You're 5'2, brown eyes  
I don't know what to say, you make me feel that way  
It seems like I'm dreaming  
I can't believe myself, I found somebody else  
You remind me of  
A girl that was my first love  
I can't let you go  
You're so sure like my first love  
Now I'm not letting go I think you need to know  
I might not let it show, I've been through this before  
She got away somehow but that won't happen now  
No never again I finally found a friend  
You're 5'2, brown eyes  
I don't know what to say you make me feel that way  
It seems like I'm dreaming  
I can't believe myself, I found somebody else  
You remind me of  
A girl that was my first love  
I can't let you go  
You're so sure like my first love  
I've been dreaming of someone like you  
I had to pinch myself just to see if it's true  
This is crazy just like déjà-vu  
I feel like I know you, this dream is so beautiful  
You remind me of  
A girl that was my first love  
I can't let you go  
You're so sure like my first love
