Superman

Glee Cast

I am, I am, I am superman And I know what's happening. I am, I am, I am superman And I can do anything.

You don't really love that guy you make it with now do you? I know you don't love that guy 'cause I can see right through you.

I am, I am, I am superman And I know what's happening. I am, I am, I am superman And I can do anything.

If you go a million miles away. I'll track you down girl. Trust me when I say I know the pathway to your heart.

If you go a million miles away. I'll track you down girl. Trust me when I say I know the pathway to your heart.

I am, I am, I am superman And I know what's happening. I am, I am, I am superman And I can do anything.

I a am, I am, I am superman And I know what's happening. I am, I am, I am superman And I can do anything.
