

Love and Marriage

The McGuire Sisters

Love and marriage, love and marriage
Go together like a horse and carriage
This I tell you brother
You can't have one without the other Love and marriage, love and marriage
It's an institute you can't disparage
Ask the local gentry
And they will say it's elementary Try, try, try to separate them
It's an illusion
Try, try, try and you will only come
To this conclusion
Love and marriage, love and marriage
Go together like a horse and carriage
Dad was told by mother
You can't have one, you can't have none
You can't have one without the other Love, love, love, love and marriage
Try, try, try to separate them
It's an illusion
Try, try, try and you will only come
To this conclusion Love and marriage, love and marriage
Go together like a horse and carriage
Dad was told by mother
You can't have one, you can't have none
You can't have one without the other
Love and marriage, love and marriage
Love and, and, no you can't have one, you can't have none
You can't have one without the other
Love and marriage
