

Prime Time

[Alan Parsons](#)

(eric woolfson - lead vocal) Well even the longest night won't last forever
But too many hopes and dreams won't see the light
And all of the plans i make won't come together Something in the air
Maybe for the only time in my life
Something in the air
Turning me around and guiding me right And it's a prime time, maybe the stars were right
I had a premonition, it's gonna be my turn tonight
Gonna be my turn tonight Well even the brightest star won't shine forever
But all of the hands i play are working out right
And every move i make feels like a winner Something in the air
Maybe for the only time in my life
Something in the air
Turning me around and guiding me right And it's a prime time, maybe the stars were right
I had a premonition, it's gonna be my turn tonight
Gonna be my turn tonight
Gonna be my turn tonight
