

# All I Want To Be (Is By Your Side)

**Peter Frampton**

Do what you do don't bring me down  
I went to the doctor he's just another clown  
Don't stand alone you might turn to stone  
I wish there was a pill for that - you're on your own

Can't you see what it's doing to me  
All I wanna be is by your side  
I don't care if they cut my hair  
All I wanna be is by your side

Shake me down you wanna put me on the ground  
There's money in my pocket I won't make a sound  
Run me over or pick a four leaf clover  
Now they cut the lights down, this record's going slower

Can't you see what it's doing to me  
All I wanna be is by your side  
I don't care if they cut my hair  
All I wanna be is by your side
