Get Some

Chevelle

I tried an idea

For no reason

Keep the sun

Off our shoulders

Crawling back to A blackout

Touching new life

Face down

Set the pace again

Set the pace againThe drive, the idea

Still existing

Sat and shuddered

Broke the pattern

Falling inwardIn and down, up and out

Let it go

Follow way back, call it off

Any day, anyway

Make you feel this A blackout

Touching new life

Face down

Set the pace again Ablackout

Touching new life

Face down

Set the pace againDon't take the fall

We'd hate to see

That's entertainment

Get someEyes on the goal

Last one to get

Is passed over

Looked overNever rehearse

They've spiked the water

It's in the blood

Get someWe've underestimated

How can I

Get some?How can I?

How can I?

How can I

Get some?How can I?

How can I?

How can I

Get some? A blackout
Touching new life
Face down
Set the pace again A blackout
Touching new life
Face down
Set the pace again A blackout
Could this be the one?
Could this be the one?
