

Addiction (feat. Keri Hilson & Fabolous)

Ryan Leslie

You've got fashion and style
I'm lovin' your smile and
The way you get down
I can't see no one else
It's you by yourself, yea
In spite of the crowd

(Baby no one else matters)[Bridge]

It started off with a kiss (uh huh)

Never expectin' this (uh huh)

And now I'm here copin' with

My addiction (addiction)

It started off with a kiss (uh huh)

Never expectin' this (uh huh)

And now I'm here copin' with

My addiction While all the girls say [Chorus]

I'm addicted to you

I'm addicted to you

I'm addicted to you

You're my addiction

I'm addicted to you

I'm addicted to you

I'm addicted to you

You're my addiction When I'm lookin' in the mirror

Honey, you are all I see

And it could not be no clearer

That I need you here with me I was hopin you'd notice

The way that I like to

Have you around

Listen and you will find that

Your heart beats for me

Girl, I hear the soun [Bridge] While all the girls say [Chorus] Hey lemme find out I got you Amy wined out

I get em hooked like I threw a fishing line out

My white girl keep me Federlined out

Im to G so I stay Gucci signed out (gucci)

And I get so much attention

They sit and talk about me like intervention

They say that white phantom look so cocaine

I hop out the suicides lookin' so Kobain

And I just Courtney Love when they know your name

They like loso we already know so damn
They come back one more grams
Right back like Lindsay out the program
When I'm lookin' in the mirror
Honey, you are all I see
And it could not be no clearer
That I need you here with me [Chorus] [Bridge] I'm addicted to you [Repeat: x3]
You're my addiction
