

# Heart Shaped Lover (feat. Jola the Trunk Boi)

## The Romantic Era

And I go to the end of the earth for her  
If the world was crashing down around us, I'd do  
Anything to save her...her,  
Anything to save her...herIf you're going to love somebody  
Love her yea with all that you got  
Show her each and every day,  
Give her the world and your heart  
Better start believing, she's the only one your needingShe's the reason I'm falling,  
She's the reason I'm acting like a fool right now  
She's got my life off trackAnd she's my heart shaped lover  
My under the covers  
My holding hands, my kissing in the rain  
She stars in all my dreams  
And she stops my breathing  
When I need water, baby she's my rain  
She's my rain, (x3)  
She's my pouring rainAnd she's the girl I see when I go to sleep  
She's my crazy, my wifey, the one I want to keep  
And I would do anything to please, her...her  
And if you feel me, you know I need her...herIf you're gonna love this one,  
Then love her yea, with all that you've got  
Tell her she'll always be the one and Man don't you ever stop giving her reasons,  
Til the end you never leave herShe's the reason I'm falling,  
She's the reason I'm acting like a fool right now  
She's got my life off trackAnd she's my heart shaped lover  
My under the covers  
My holding hands, my kissing in the rain  
She stars in all my dreams  
And she stops my breathing  
When I need water, baby she's my rain  
She's my rain, (x3)  
She's my pouring rainAnd if you love her then always love her, don't ever let her go  
And tell her over and over again them three words  
Yea you know  
You love her, you love her, her, her  
Yea you love her, you lover her, her, her[JOLA THE TRUNK BOI]  
(I love you girl...)  
Love is a drug and I'm trying to OD  
Don't moan to loud, got to keep it low key

We start k-i-s-s-i-n-g,  
I'm feeling on her, she feeling on me  
She's infatuated, by the way I feel  
I call it goosebumps love, got her giving me chills  
And it's something new every time we touch  
You know my heart will skip a beat of my adrenaline rush  
And her loving me so damn good,  
Once you go Trunk you will never go hood  
Never go hood, never ever hood  
Never ever, ever, ever, ever, go hood  
Trunk Boi swag  
Once you go black you will never go back  
My girl went black ain't never went back  
We been in love ever, ever since that  
And she's my heart shaped lover  
My under the covers  
My holding hands, my kissing in the rain  
She stars in all my dreams  
And she stops my breathing  
Yea, you're my heart shaped lover  
My under the covers  
My holding hands, my kissing in the rain  
You star in all my dreams  
And you stop my breathing  
When I need water, baby you're my rain  
Yea, you're my heart shaped lover  
My under the covers  
My holding hands, my kissing in the rain  
You star in all my dreams  
And you stop my breathing  
When I need water, baby you're my rain
