

# I Need You

## The Rationals

I need you  
I need you more than birds need the sky  
I need you, you know, little girl  
That you can lift the tears from my eyes  
But if you ever tell me goodbye  
I'll break down and you'll hear me cry  
I need you  
More than anybody else has needed anyone before  
I need you  
There's no one else to stand in your place  
I need you, you know, little girl  
That you can keep the smile on my face  
But if you ever tell me goodbye  
I'll break down and you'll hear me cry  
I need you  
More than anybody else has needed anyone before  
I need you  
There's no one else to stand in your place  
I need you, you know, little girl  
That you can keep the smile on my face  
But if you ever tell me goodbye  
I'll break down and you'll hear me cry  
I need you  
More than anybody else has needed anyone before  
More than anybody else has needed anyone before  
I need you  
I need you  
I need you
