Looking for Someone

Sarah Slean

Ive been looking for someone
But, I dont know his name
Oh, the faces before me
Well they all look the same
But, theres got to be one face
And one pair of eyes
That will light me on fire
When their looking in mineI am looking for someone
I am looking for someoneFor many good years now
Ive been walking alone
But I know when I find him
It will feel like home
The wedding is over
I will be able to say
I am so glad that I waited for this dayOh, I am looking for someone
Oh, I am looking for someone
Oh, I am looking for someone
Whos looking for me.When the wedding is over
Ill be able to say
I am so glad that I waited for this dayOh, looking for someone
Oh, looking for someone
Oh, looking for someone
Whos looking for me.
