

Behold the Lamb

Bob Rice

I a sheep was wondâ€™ring
Upon my plight was pondâ€™ring.
Tired of all my wandâ€™ring, wondâ€™ring how Iâ€™d find the way.
â€˜Till an angel shone to me and pointed tâ€™wards the sky
where I saw the Holst of Heaven and I heard the angels cry,

â€œBehold the Lamb! The Lamb who once was slain,
Who was crucified and for our sins He bore the pain,
then He rose up from the grave
and Heâ€™s cominâ€™ back again!â€•

To Him praise and honor, glory and power!
We wait for the hour
When Youâ€™re cominâ€™ back again!
Once all was lost we all like sheep had gone astray,
So He made Himself like one of us to show for us the way.

â€œBehold the Lamb! The Lamb who once was slain,
Who was crucified and for our sins He bore the pain,
then He rose up from the grave
and Heâ€™s cominâ€™ back again!â€•

Enthroned forever, whoa
Unseated never, no
Send Your grace like fire from the sky,
He is alive, He is alive!

Burning with His Spirit,
Let the nations hear it!
Jesus Christ is Lord
and Heâ€™s cominâ€™ back again!
Praise glory, honor to the gift of God, Most High,
Tell the world by your behavior Heâ€™s the Savior of your lives.

â€œBehold the Lamb! The Lamb who once was slain,
Who was crucified and for our sins He bore the pain,
then He rose up from the grave
and Heâ€™s cominâ€™ back, so behold the Lamb!
