

# Emma, Get Me A Lemon

## The Walkmen

Emma get me a lemon  
And if there are none  
Get me a lime  
And if we got none  
Go out and get some  
I'm gonna wait here  
By your french door

And you ask me to come over  
And its all coming together  
There's so many ways  
We can take our time  
And you tell me not to worry  
Don't you ever think about it  
I got so many ways to waste our time  
It's a long way home, let's enjoy the ride

Go let the dog in  
I hear him scratchin'  
Against the kitchen wall  
Go let the dog in  
I hear him howling  
I got a feeling  
It'll be all night
