

Everything I Want

[Ben Poole](#)

The nights are growing longer now
And I can't think of anything but you
And do you feel the same way too? Outside the windows, leaves are brown
Like words of passion falling down, it's true
The one's I've never heard from you Remember, love was such an easy game to play
Those days are flown a million miles away Everything I want
Everything I do
Is trying to find myself again
'Cause life can be so cruel For anything I've done
And things that I did wrong
I'm asking to forgive me 'cause it's obvious
I'm guilty of loving you I'll take the chance, this is my life
I'm gonna make the best of what I am
I really need to understand And should I fail or recognize
The mirror's not reflecting what I want to see
Someone else inside me I'm stepping out the edge, I'm on the borderline
Ain't gonna make the same mistakes this time 'Cause everything I want
Everything I do
Is trying to find myself again
'Cause life can be so cruel For anything I've done
And things that I did wrong
I'm asking to forgive me 'cause it's obvious
I'm guilty of loving you, guilty of loving you Now everything I want
Everything I do
Is trying to find myself again
'Cause life can be so cruel For anything I've done
And things that I did wrong
I'm asking to forgive me 'cause it's obvious
It's clear that I was guilty of loving you
