

# Better Man

[Steven Seagal](#)

If only I had said all the right words. That I needed to say. I probably wouldn't feel this way. Some are born on the wrong side of the moon. Girl it's killing me to keep hurting you.

So I'm writing it down in a letter.  
And I'm hoping that you'll understand.  
'Cause I know girl that you can do better.  
And it's out of my hands.  
So go on girl. Find you a better man.  
A better man.

Girl a woman like you is so hard to find. But to stay here with me is throwin' pearls to the swine. Why I did you like that. Well I can't even say. But I hope in your heart you'll forgive me some day. And I know that it's gonna be lonely. But I know you'll do the best that you can. With me you'll only end up losin' and that wasn't my plan. So go on girl find you a better man.

And I'm writing it down in a letter.  
And I'm hoping that you'll understand.  
'Cause I know girl that you can do better.  
And it's out of my hands.  
So go on girl. Find you a better man.  
A better man.
