Tell Me This Night Is Over lyrics Why should it be so bad to be bad,

When it's so hard to be anything at all?

And why does everyone seem to forget

What it's like to be all alone

As soon as they

Have got someone, oh it's no fun

It makes me want to vanish and die

Maybe I'll throw all my clothes

Into a waterfall

And sit and spy while they all cry

You get so silly when you're lonely

And you think that you're the only

Who'll say: I hope that someone's gonna call

And tell me this night is over

'Cause I want to start living my life

Before I get much older Maybe you all would consider it a joke

If I say that I hate myself

But now and then

When I look into the mirror

All I see is a big mistake

(And wouldn't you)

Well, I just want to be fun

Just want to be the one

Who makes you smile

I just want to believe

That I could be something to someone

- Am I the only one around here,

Who's not gonna live my life in fear? I hope that someone's gonna call

And tell me this night is over

'Cause I want to start living my life

Before I get much older (- I don't understand you!)

- And why would you?

(- Can you tell me

What is on my mind?)

- I don't have words to say

How much I think I owe you,

- We ain't gonna live our lives in fear...
