

# Sound The Bugle

[Bryan Adams](#)

Sound the bugle now play it just for me  
As the seasons change remember how I used to be  
Now I can't go on I can't even start  
I've got nothing left just an empty heart  
I'm a soldier wounded so I must give up the fight  
There's nothing more for me lead me away  
Or leave me lying here  
Sound the bugle now tell them I don't care  
There's not a road I know that leads to anywhere  
Without a light feat that I will stumble in the dark  
Lay right down - decide not to go on  
Then from on high somewhere in the distance  
There's a voice that calls remember who you are  
If you lose yourself your courage soon will follow  
So be strong tonight remember who you are  
Ya you're a soldier now fighting in a battle  
To be free once more Ya that's worth fighting for
