# Heretic

## Halford

The way you look at me
Feel all your hatred buildin'
I won't be what you see
A nation built for killin'The color of the skin
Dividin' Church's Saviors
The wars that you begin
Reflect in your behaviorWe live and die
From all this isolatin'
We live and die
When we stop procreatin'Genetic blasphemy
Resisting devastation
Corrupting heresy
To save the populationWe live and die
From all this isolatin'
We live and die
When we stop procreatin'We live and die
To generate existence
We live and die
A lifeline of persistenceWe live and die
And all we feel is sadness
We give and try
Mankind embraces madnessWe live and die
And all we feel is sadness
We give and try
Mankind embraces madness
