Looking for Lewis and Clark

The Long Ryders

I thought I saw some diplomat hawking secret plans in the park
I thought I saw my President walking through Harlem late after dark
In a world of love where they burn like Nero
You write them a check and you then add zero
In a world of love where they burn like Nero
You write them a check and you then add zero
Looking For Lewis And ClarkI was standing alone in Mabuhay Gardens (looking for Lewis and Clark!)
I was thinking about the late Tim Hardin
Well, when Tim get to heaven hope he told Gram
About the Long Ryders and just who I am
Yeah, no one gave Tim reason to believe
So he just packed his bags to leave
Looking for Lewis and Clark
Looking for Lewis and Clark
Looking for Lewis and ClarkI thought I saw my government running away with my heart
I thought I heard Mubute anthems in Johannesburg after dark
You can find them in the yellow pages, baby
That's where you get your kickbacks from the Navy
Looking for Lewis and Clark
Looking for Lewis and Clark
Looking for Lewis and Clark
I said a Louie-Louie Lou...
Looking for Lewis and Clark
Looking for Lewis and Clark
Looking for Lewis and Clark
