

I Got You

Jack Johnson

Back when all my little goals
Seemed so important
Every pot of gold
Filling full of distortion
Heaven was a place still in space
Not in motion
But soon I got you, I got everything
I've got you, I don't need nothing
More than you, I got everything
I've got you We went walking through the hills
Trying to pretend that we both know
Maybe if we save up
We could build a little home
But then the hailstorm came
It yelled "you need to let go,
You got no control, no" I got you, I got everything
I've got you, I don't need nothing
More than you, I got everything
I've got you This weight's too much alone
Some days I can't hold it at all
You take it on for me
When tomorrow's too much
I'll carry it all
I got you When tomorrow's too much
I'll carry it all
I got you I got you, I got everything
I've got you, I don't need nothing
More than you, I got everything
I've got you
