

Just Rockin' And Rollin'

Ronnie Dawson

Everywhere I go, just a-rockin' and a-rollin'
Everywhere I go, just a-rockin' and a-rollin'
Everywhere I go, just a-rockin' and a-rollin'
Make me feel a-like a-rockin' some too

My baby was a-rockin' with another man
My baby was a-rockin' with another man
Well, everybody rockin', just a-rockin' and a-rollin'
Make me feel a-like a-rockin' some too

My mother was a-rockin', and my father too
My sister was a-rockin', and my brother too
Everybody rockin', just a-rockin' and a-rollin'
Make me feel a-like a-rockin' some too

Come on everybody, we're gonna rock some too
Come on everybody, we're gonna clap our hands
Yeah, everybody rockin', just a-rockin' and a-rollin'
Make me feel a-like a-rockin' some too

Come on everybody, we're gonna rock some too
Come on everybody, we're gonna rock some too
Well, everybody rockin', just a-rockin' and a-rollin'
Make me feel a-like a-rockin' some too
