

Sun Goes Down (feat. Jasmine Thompson)

Robin Schulz

Nothings ever what we expect
But they keep asking where I go next
Oh, we're chasing as the sun set
Got my mind on youDoesn't matter where we are are are
Doesn't matter where we are are are
Doesn't matter, noIf there's a moment when it's perfect
We'll carve our names as the sun goes down
Yeah
As the sun goes down
Yeah
As the sun goes downDoesn't matter where we are are are
Doesn't matter where we are are are
Doesn't matter, noWe were, wash around me now
We were, wash around me nowNothings ever what we expect
But they keep asking where we go next
Oh, we're chasing as the sun set
Got my mind on youDoesn't matter where we are are are
Doesn't matter where we are are are
Doesn't matter, noIf there's a moment when it's perfect
We'll carve our names as the sun goes down
Yeah
As the sun goes down
YeahWe were, wash around me now
We were, wash around me nowAs the sun goes down
