You and I

MiG

Black is to white, like dawn is to day
Together I thought we would never stay
Laugh is to cry like hot is to cold
But still I'm wanting your hand to holdYou and I should never be together
You and I have known this from the start
You were not what I'd imagined and I'm not what you dreamed of
Still you and I had to fall in loveBitter is sweet, the truth never lies
I'll never give up if you don't say die
Riches is to poor, foolish to wise
Together our hearts will run big surprisesYou and I should never be together
You and I have known this from the start
You were not what I'd imagined and I'm not what you dreamed of
Still you and I had to fall in loveOh, was meant to be, oh, was destiny
Ooh don't let love pass you by
Don't ask why?
Don't ask why?You and I should never be together
You and I have known this from the start
You were not what I'd imagined and I'm not what you dreamed of
Still you and I just had to fall in loveYou and I, you and I
You and I, you and I, you and I
