

# Movin' On

## Bob James & Earl Klugh

(Hank Snow)

That big eighteen-wheeler, rollin' down the track  
Means your true-lovin' daddy ain't comin' back  
'Cause I'm movin'on, I'll soon be gone  
You were flyin' too high, for my little old sky  
So I'm movin' on

That big loud whistle, as it blew and blew  
Said hello to the southland, We're comin' to you  
And we're movin' on, oh, hear my song  
You had the laugh on me, so I set you free  
And I'm movin' on

Mister fireman, won't you please listen to me  
'Cause I got a pretty mama in Tennessee  
Keep movin' me on, keep rollin' on  
So shovel the coal, let this rattler roll  
And keep movin' me on  
Mister Engineer, take that throttle in hand

This rattler's the fastest in the southern land  
To keep movin' me on, keep rollin' on  
You gonna ease my mind, put me there on time  
And keep rollin' on

I've told you baby, from time to time  
But you just wouldn't listen or pay me no mind  
Now I'm movin' on, I'm rollin' on  
You've broken your vow, and it's all over now  
So I'm movin' on

You've switched your engine, now I ain't got time  
For a triflin' woman on my main line  
Cause I'm movin on, you done your daddy wrong  
I warned you twice, now you can settle the price  
'Cause I'm movin on

But someday baby, when you've had your play  
You're gonna want your daddy, but your daddy will say  
Keep movin' on, you stayed away too long  
I'm through with you, too bad you're blue  
Keep movin' on
