See Me Fight (feat. Linea Adamson)

Two Steps From Hell

I start bleeding
I'm not breathing tonight
This is goodbyeAnd then I'm still shining
Words can't find in the light
Just hold me tightYou ran away and I'm wondering why
It's like you and I kinda fell from the sky
You didn't say that you'd make me your life
Baby I don't wanna say goodbye
Nowhere to hide and no heart left to cry
You tell me the looks just the same in your eyes
I am the rain on the fire tonight
Hoping you see me fightWhen did we go wrong
Did we call it quits
What did we missBaby I could search our lifetime
Never to find
Someone like your kindYou ran away and I'm wondering why
It's like you and I kinda fell from the sky
You didn't say that you'd make me your life
Baby I don't wanna say goodbye
Nowhere to hide and no heart left to cry
Tell me it looks just the same in your eyes
I am the rain on the fire tonight
Hoping you see me fight
