Kung Fu Fighting

Carlos Jean

(intro)Everybody was Kung Fu Fighting
Those kicks were fast as lightning
In fact, it was a little bit frightening
But they fought with expert timingThere were funky China men from funky Chinatown
They were chopping them up
They were chopping them down
It's an ancient Chinese art
And everybody knew their part
From a feint into a slip
And a kickin' from the hip
Everybody was Kung Fu fighting
Those kicks were fast as lightning
In fact it was a little bit frightning
But they fought with expert timingThere was funky Billie Chin and little Sammy Chong
He said, here comes the big boss, let's get it on
We took the bow and made a stand
Started swaying with the hand
The sudden motion made me skip
Now we're into a brand new tripEverybody was Kung Fu fighting
Those kicks were fast as lightning
In fact it was a little bit frightning
But they did it with expert timing
