Deep

East 17

Turn the lights low and put some music on
Let our bodies sing swing to the soft song
I feel ya heat, it's turning me on
I wanna feel ya all night longSo come close, as close as you can
I surrender, you're so tender and tanned
I wanna toss, I wanna tumble, feel and fumble
I wanna do it till my belly rumblesSo lay back and close your eyes and
While I fiddle you can fantasize
Yeah, while I fiddle you can fantasizeYou gon' deep, baby
(Deep, deep down)
Like sleep, sugar
(So rest upon my chest)
You gon' deep, baby
(Deep, deep down)
Like sleep, sugar
(So rest upon my chest)You gon' deep, baby
(Deep, deep down)
Like sleep, sugar
(So rest upon my chest)
You gon' deep, baby
(Deep, deep down)
Like sleep, sugarWhat ya body wants, I got dis
Whatcha need indeed, I'm gonna rock this
I dream, you scream and tighten ya hold
I tiggle in the middle as we giggle in I goOh, deep and down deeper like an ocean
As I push I blow ya emotions
You explode, like dynamite
You got the fuse but to ya fuse I got the lightTogether we swing
Shh, I hear our souls sing
A symphony, a lovers harmony
Yeah, yeah, can you hear the harmony?You gon' deep, baby
(Deep, deep down)
Like sleep, sugar
(So rest upon my chest)
You gon' deep, baby
(Deep, deep down)
Like sleep, sugar
(So rest upon my chest)You gon' deep, baby
(Deep, deep down)

Like sleep, sugar
(So rest upon my chest)
You gon' deep, baby
(Deep, deep down)
Like sleep, sugarI'm gonna kiss ya from ya head to ya toes
And then I'm gonna lick ya where you'd love me to go
Yeah, oil ya skin within hold ya tight
Yeah, I butter toast if you lick the knifeAnd then I take a shower, maybe bubble the bath
I'll wash yours, you wash mine yeah, we'll have a good laugh
I'll be the sponge, the sponge, the sponge that wets you down
Then I'll be the towel upon your naked body wrapped around
And then as our games come to an end ah, ah, ah
We'll start again, yeah, yeah, yeahYou gon' deep, baby
(Deep, deep down)
Like sleep, sugar
(So rest upon my chest)
You gon' deep, baby
(Deep, deep down)
Like sleep, sugar
(So rest upon my chest)You gon' deep, baby
(Deep, deep down)
Like sleep, sugar
(So rest upon my chest)
You gon' deep, baby
(Deep, deep down)
Like sleep, sugarYou gon' deep, baby
(Deep, deep down)
Like sleep, sugar
(So rest upon my chest)
You gon' deep, baby
(Deep, deep down)
Like sleep, sugar
(So rest upon my chest)You gon' deep, baby
(Deep, deep down)
Like sleep, sugar
(So rest upon my chest)
You gon' deep, baby
(Deep, deep down)
Like sleep, sugarYou gon' deep, baby
(Deep, deep down)
Like sleep, sugar
You gon' deep, baby
(Deep, deep down)
Like sleep, sugar
