

What a Difference You've Made

Amy Grant

What a difference you've made in my life.
What a difference you've made in my life.
You're my sunshine day and night.
Oh, what a difference you've made
In my life. What a change you have made in my heart.
What a change you have made in my heart.
You replaced all the broken parts.
Oh, what a change you have made
In my heart. Love to me was just a word in a song
That had been way overused.
But you gave love a meaning,
So i joined in the singing,
That's why i want to spread the news. What a difference you've made in my life.
What a difference you've made in my life.
You're my sunshine day and night.
Oh, what a difference you've made,
(what a difference you've made,)
What a difference you've made in my life. What a difference you've made in my life.
What a difference you've made in my life.
You're my sunshine day and night.
What a difference you've made. (what a difference you've made in my life.)
What a difference you've made in my life.
(what a difference you've made in my life.)
Difference you've made in my life.
(you're my sunshine day and night.)
What a difference you've made. (what a difference you've made in my life.)
Difference you've made in my life.
(difference you've made in my life.)
You're my sunshine day and night.
What a difference you've made. (what a difference you've made in my life.)
You've made a difference in me.
(what a difference you've made in my life.)
You've made a change in my life.
You're my sunshine day and night.
