i was only 17
when i got my heart ripped clean
i was just a baby thenlove's so confusing
the scenes are amusing
i have to express how i feeli was only 17
when i got my heart ripped clean
how can i forgive you thatlove's so confusing
the scenes are amusing
i have to express how i feelone thing i know is true
i'll never replace you
a memory i rewind and playsoieillove's so confusing
the scenes are amusing
i have to express how i feelone thing i know is true
i'll never replace you
a memory i rewind and playi was only 17
when i got my heart ripped clean
i was just a baby thenlove's so confusing
the scenes are amusing
i have to express how i feelone thing i know is true
i'll never replace you
a memory i rewind and playsoleil
