

Masochist

Digitaria

She says you're a masochist for falling for me
So roll up your sleeves and I think that I like her
'Cuz she tells me things I don't want to hear
 Medicinal tongue in my ear
 When will it stop? When will it stop?
 When will I feel all soft on the inside?
 When will I feel all soft on the inside?
 When will I feel soft, soft?
 You say that my skin feels like no one else's
 That it's different somehow
But I don't understand, isn't a hand just a hand?
 No, you don't understand
 When will it start, my broken part?
 When will I feel all soft on the inside?
 When will I feel all soft on the inside?
 When will I feel soft?
 When will I feel all soft on the inside?
 When will I feel all soft on the inside?
 When will I feel soft, soft?
 Soft, soft, soft, soft
She says you're a masochist for falling for me
