Darling Girl

Yolanda Adams

A night flight out to D.C., phone rings with the news
My God I'm so excited, it's time to look for baby shoes ,yes
Everyone says I'm glowing from a heart filled with joy
Too soon to be showing, is it a girl, is it a boy
Found out you're my Darling Girl
Don't you know you changed my world
You're my little doll, so sweet
You nearly knock me off my feet
You're my little darling child, seeing you makes me smile
God bless the day, He sent my little angel to me
Here's my favorite picture when you were 10 minutes old
And we were right there with ya
To wrap you up and keep you warm
And now that you're a little older, I see your personality
Every time that I hold ya
I'm sure you'll know much more than me
'Cause you're my little Darling Girl
Don't you know you changed my world
You're my little doll, so sweet
You nearly knock me off my feet
You're my little darling child, seeing you makes me smile
God bless the day, He sent my little angel to me
And you were perfect from the first day
They getting tired of hearing me say
I'm not ashamed to stand up and tell the world
That you're my, my, my baby girl, oh
La da da da da da
La da da da da da
Da da da da da da
Hanging tight with your mama, traveling round the globe
Telling folks about Jesus and how He came to save their souls
Obviously what's important yeah, gotta keep teaching you
Gotta be your example that shows His life in all I do
You are my Darling, Darling Girl
Don't you know you change my world
You're my little doll so sweet
You nearly knock me off my feet
You're my little darling child, you know I love to see you smile
And God bless the day, He sent my little angel to me

Oh yes, God bless the day, He sent my little angel to me
{You go say something? Haa
Come on say something, no yeah}
