Eyes on Me (feat. Harriet Brown)

Classixx

Mmm, ah, he!oh girl, i can feel your gaze, and you know it
ain't no need to be ashamed
cause i'm into you girl
and right now my house feels so lonely
so go on and look into my window babei want to show you (i know you're out there)
the things i'm doin' in secret
things that you think you weren't meant to see
so go ahead now (i'm just gettin comfortable)
i got on my silk and my velvet
don't be shy while i dream about you spyin' on me yeahlet your gaze just fall on me yeah
i'm gon' act out my fantasy
lady i'm feelin' all your eyes on me
such sweet surveillance, i want you to see
baby when i'm alone i am thinkin' of you
with no one here to judge me i'll do what i want toOhh!
Ohhso i'mma do things just the way i know you'd like to see them done
slow down your favorite record and casually look you up
the things i do in secret, girl i do them just for you
stalkin' you online, while in my mind you're watchin' me in real life toolet your gaze just fall on me, let your gaze just fall on me
i'm gon' act out my fantasy (feel you got to be watchin' me)lady i'm feelin' all your eyes on me
such sweet surveillance, i want you to see
baby when i'm alone i am thinkin' of you
with no one here to judge me i'll do what i want to
you got to be watchin' me lady
you got to be watchin' me love
you got to be watchin' me lady
you got to be watchin' me love
(baby when i'm alone i am thinkin' of you
with no one here to judge me i'll do what i want to)you got to be watchin' me lady
you got to be watchin' me love
you got to be watchin' me lady
you got to be watchin' me love
you got to be watchin' me lady
you got to be watchin' me loveEnd
